**ASSISTED LIVING  
MEMORY CARE  
RESPITE CARE**

## Memory Care

Our secure environment is staffed by specially trained individuals who provide positive life experiences and one-on-one interactions for socialization and activities of daily living (ADLs).

Some of the special services offered in Memory Care include:

- Private studio apartments (328 sq. feet)
- Full private bathrooms
- Music therapy program
- Senior exercise program
- Caregiver support group
- Life stations with activities tailored to individual interests
- Personalized memory boxes
- Family engagement program

## Assisted Living

Certified by the state of Wisconsin, Eagle Ridge's Assisted Living program provides the extra care and comfort you need. Newly constructed in 2019, you are sure to find an apartment that fits your needs. Apartments can be decorated to your preferences, just like home! Our studio apartments are 345 sq. feet and feature private bathroom and kitchenette.

### *Respite Care:*

Designed for individuals who need supervision or services for a short period of time. Eagle Ridge services and amenities are included in a comfortable, furnished respite suite.

## Lifestyle

We want to make sure you feel comfortable and at home when you live at Eagle Ridge. Our Life Enrichment program offers fun, engaging and purposeful activities that our residents want to participate in. Just ask us about our exercise programs and music therapy sessions, as well as our special events and outings! Dining is an important part of our residents' lives. That's why we strive to serve delicious, comforting, nutritious meals. Our menus are based on what our residents prepared for their families!

### *Individualized Service Plan:*

Every resident is assessed by our Health Care Coordinator (RN) to create a plan of care that fits their unique medical needs. No residents pay for health care services they do not need.
